SUBMISSION OF FORMAL DRAWINGS

TECH CENTER 1600/2900

Commissioner for Patents
Washington, D.C. 20231

Attn: Official Draftsman

Dear Sir:

Applicants enclose herewith seven sheets of formal drawings and request that the same be made of record in this application as a substitute for the informal drawings filed with the application on May 5, 1998. Since Fig. 1 was divided between two pages as a result of increasing the size of the font used, additional numbers were added at the left or right end of each line to indicate nucleotide and amino acid numbers.

The Commissioner is hereby authorized to charge any fees which may be required to Account No. 12-1216. A duplicate copy of this communication is enclosed for that purpose.

Respectfully submitted,
